

Wednesday October \_\_\_\_ is  
**International Walk and Roll to School Day!**

*The enthusiasm and support of teachers  
and school staff makes a **HUGE** difference with the kids.*

**Please help us make Walk and Roll to School Day  
a success!**

- Talk it up with your students!
- If you're planning to walk or bike that day, please tell your students!
- Remind kids that on October \_\_\_\_, there will be food, prizes and raffle tickets given away when they arrive at school.
  - Brainstorm/discuss the benefits of walking and/or biking.
- Encourage kids to connect with each other to walk or bike together!
- Suggest that kids who are normally driven ask their parents to drop them off at a friend's house who walks or rolls, or at a walking school bus drop-off location.

*Thank you for your support!*
