A SRTS Community Partner in the City of Petaluma who supported the formation of Bike Trains in Petaluma for the May 2024 Bike to School Day event, created [THIS BIKE TRAIN MAP](#) using [Google My Maps](#), to help spread the word about where Bike Trains were taking place that day, and how parents and students could join. Their efforts had an impact: the City of Petaluma had the highest percentage increase of kids biking to school on Bike to School Day of any jurisdiction in Sonoma County! Maps like this can be created and shared for one or more routes, for one event, or for bike trains that operate more regularly.

Other tools for creating and sharing Bike Train map include [RidewithGPS](#) and [MapMyRide](#)

[Contact us](#) for additional guidance and support in identifying Bike Train routes, how to lead a bike train, creating a flyer, or any other questions you may have!

26 Schools formed Bike Trains (6 Petaluma), 34 bike train routes (12 Petaluma) last May!
