

WALK
and ROLL
to Anywhere

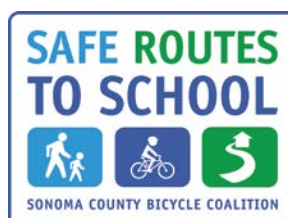

Dear Student & Family,

Join us in celebrating Walk and Roll for Wheels this December! We challenge you to walk, bike, scoot or skate to ANYWHERE this month and to explore your neighborhoods while working on one or more of our Scavenger Hunts!

Here is how to participate!

- **Join us on Walk and Roll to Anywhere Day.** On ANY ONE DAY during the first FULL week of December (*Dec 1st-7th*), choose a destination to walk, bike, scooter, skate, or skateboard to. It can be ANY destination, whether it is a local park, a store, a friend's house, your school campus, or just a walk around the neighborhood and back to your home.
- **Fill out our Walk/Roll Anywhere Survey to share when, where, and how far you walked or rolled to school.** *Note: Survey results will be shared with your school to discover how many and which kids walked & rolled, how far kids traveled, and which teacher had the highest percentage of students who walked and rolled that week.* Fill out survey by Monday 12/7.
- **Complete and submit one or more Scavenger Hunts for one or more chances to Win a Scooter, Skateboard, or Roller Skates! Download our Challenge Activity at www.sonomasaferroutes.org (or get it from your school or teacher).** Challenge must be received by Friday 1/8/21 *Note: If you have questions regarding how to submit, contact saferroutes@bikesonoma.org*
