To enter our drawing, email or mail a copy of your completed sheet (OR list the items you found) to saferoutes@bikesonoma.org or Safe Routes to School, PO Box 3088, Santa Rosa, 95402. Must be received no later than Friday, January 8, 2021.

RULES FOR TAKING AND SUBMITTING PHOTOS:

- Every picture has to have YOU in it in some form. It can just be a hand — it does not have to be your face.
- Remember to stay in focus, get in close for drama.
- You must travel under your own power — walking, bicycling, scootering, or skateboarding — when on a "hunting" mission.
- Use common sense and follow the rules of the road when exploring outside. Do not risk injuring yourself or getting into trouble.
- Be responsible for your health and safety, maintain a minimum of six-feet social distance from people outside your household, and wear a mask when you are unable to maintain social distance.
- You may email one or more photos. Each photo sent/posted before the deadline is an extra entry into our drawing for a scooter, skateboard, or roller skates!
- You may also post photos on Facebook or Instagram and tag @SonomaCountySafeRoutes or #SRTSonomacounty.
